## Programs

### Teen Talk

*"dealing with the issues you face"*

Struggling with peer pressure?  
Having problems at home?  
Want to learn CPR? Teens are invited once-a-week to stay after hours for pizza and to talk about topics like: self-defense,

Internet safety, & Aggie Yell Night! Attendance is rewarded with prizes at the end of each series!

### VIP Trips

*Where trips are planned,  
but journeys are discovered...*

Bored on the weekends? The Exit has packed each semester full of trips from ice skating to concerts, campouts to theme parks!

### Girls Night Out/Guys Night Out

Sometimes you just need a break! Every month the Exit staff plans an activity for girls only and another that's strictly for the guys. Whether it's a sleepover or paintball, it's fun to have some time without the "pressure".

### Community Service

Take time out of your Saturday to give back to your neighbors! The Exit staff arrange a number of service projects throughout the year for teens to participate in.

## Staff

Comprised primarily of college students, the staff is here to supervise teens at all times, assist with homework, lead games and activities, and — most importantly — lend an ear. All employees at the Exit have gone through a very selective interview process, background checks, and training. They are chosen because of their dedication to youth!
